First name(s) / Surname(s) **Prof. Alessandro Rossi**

Fondazione Gianfranco Salvini ONLUS

Protocollo n. 30^E

del 28/08/2020

Occupational field

Full Professor of Neurology - Degree course in medicine and surgery - Department of Neurological, Neurosurgical and Behavioural Sciences - University of Siena - Italy

Work experience 1 - Health care activity

Dates From 2013 to today

Occupation or position held Management and coordination

Main activities and responsibilities Interim Director of the Operational Unit of Neuroimaging and Neurointervention (NINT)

Name and address of employer University of Siena

Type of business or sector Health care activity

Dates From 2010 to today

Occupation or position held Management and coordination

Main activities and responsibilities Director of the Operative Unit of Neurology and Clinical Neurophysiology

Name and address of employer University of Siena

Type of business or sector Health care activity

Dates From 2010 to today

Occupation or position held Management and coordination

Main activities and responsibilities Director of the Integrated Activity Department of Neurological Sciences e Neurosensory

Type of business or sector Health care activity

Dates From 2007 to 2010

Occupation or position held Management and coordination

Name and address of employer University of Siena

Main activities and responsibilities Director of the Integrated Activity Department of Neurosciences

Type of business or sector Health care activity

Dates From 2002 to 2010

Occupation or position held Management and coordination

Name and address of employer University of Siena

Main activities and responsibilities Director of the Operative Unit of Clinical Neurophysiology

Type of business or sector Health care activity

Dates From 1992 to 2002
 Occupation or position held Management and coordination
 Name and address of employer University of Siena
 Main activities and responsibilities Director of the functional articulation "diseases of the motor system and movement sciences"
 Type of business and sector Health care activity

Dates From 1992 to 2002
 Occupation or position held Permanent member of the Commission for the detection of brain death
 Name and address of employer University of Siena
 Main activities and responsibilities Consultative activity
 Type of business and sector Health care activity

Dates From 2002 to 2010
 Occupation or position held Management and coordination
 Name and address of employer University of Siena
 Main activities and responsibilities Director of the Operative Unit of Clinical Neurophysiology
 Type of business and sector Health care activity

Work experience 2 - teaching and scientific research activities

Dates From 2008 to 2013
 Occupation or position held President of the 2nd level Master In: "Physiotherapy applied to Sport", University of the Studies of Siena
 Name and address of employer University of Siena
 Main activities and responsibilities University Education
 Type of business and sector University Education

Dates From 2007 to 2013
 Occupation or position held President of the Didactic Committee of the Degree Course in Physiotherapy,
 Name and address of employer University of Siena
 Main activities and responsibilities University Education
 Type of business and sector University Education

Dates From 2006 to today
 Occupation or position held Consultative activity
 Name and address of employer University of Paris VI, Pierre et Marie Curie, Paris (France)
 Main activities and responsibilities Member of the Jury of the Doctorate of Neurosciences of the University of Paris VI, Pierre et Marie Curie, Paris (France)
 Type of business and sector University Education

Dates From 2003 to today
 Occupation or position held Consultative activity
 Name and address of employer University of Provence, Marseille (France)
 Main activities and responsibilities Member of the Doctoral Jury of Neuroscience of the University of Provence, Marseille (France)
 Type of business and sector University Education

Dates From 2000 to today
 Occupation or position held Full Professor of Neurology
 Name and address of employer University of Siena
 Main activities and responsibilities Full Professor of Neurology
 Type of business and sector University Education/Research/Health Care Activity

Dates From 1992 to 2000
 Occupation or position held Associate Professor
 Name and address of employer University of Siena
 Main activities and responsibilities Associate Professor
 Type of business and sector University Education/Research/Health Care Activity

Dates From 1992 to 2002
Occupation or position held Assistant
Name and address of employer University of Siena
Main activities and responsibilities Research/Health Care Activity
Type of business and sector University Education/Research/Health Care Activity

Dates From 1992 to 2002
Occupation or position held Permanent member of the Commission for the detection of brain death
Name and address of employer University of Siena
Main activities and responsibilities Consultative activity
Type of business and sector University Education/ Health Care Activity

Dates From 1985 to 1992
Occupation or position held Assistant in neurology
Name and address of employer University of Siena
Main activities and responsibilities Medical Officer
Type of business and sector University Education/Research/Health Care Activity

Dates From 1984 to 1985
Occupation or position held Temporary contract
Name and address of employer Clinical Neurophysiology, Department of Neurological Rehabilitation, University Pitié-Salpêtrière,
Paris, France
Main activities and responsibilities Research/Health Care Activity
Type of business and sector University Education/Research/Health Care Activity

Dates From 1981 to 1984
Occupation or position held Assistant lecturer
Name and address of employer University of Siena
Main activities and responsibilities Health Care Activity
Type of business and sector University Education/Research/Health Care Activity

Dates From 1980 to 1981
Occupation or position held Temporary contract
Name and address of employer Pathophysiology National Institute of Health and Medical Research, Paris, France
Main activities and responsibilities Research/Health Care Activity
Type of business and sector University Education/Research/Health Care Activity

Dates From 1979 to 1980
Occupation or position held Temporary contract
Name and address of employer National Institute of Health, Human Physiology, University of Massachusetts, MA, USA
Main activities and responsibilities Research/Health Care Activity
Type of business and sector University Education/Research/Health Care Activity

Work experience 3 University Education

Teacher in the following courses

- II level Master's Degree in "Applied Sports Physiotherapy", University of Siena
- Degree course in Medicine and Surgery
- 1st level Degree Course in Physiotherapy
- Master's Degree in Physiotherapy
- Bachelor's Degree in Nursing Sciences
- Master's Degree in Nursing Sciences
- Degree course in Neurophysiopathology
- Degree Course for Biomedical Laboratory Health Technician
- School of Specialization in Neurology
- School of Specialization in Neurophysiopathology
- School of Specialization in Internal Medicine
- School of Specialization in Rheumatology
- School of Specialization in Gastroenterology
- School of Specialization in Radiodiagnostics
- School of Specialization in Audiology and Phoniatrics
- PhD School in Applied Neurological Sciences
- Doctorate of Neuroscience at Paris VI University, Pierre and Marie Curie, France
- Doctorate of Neuroscience from the University of Provence, Marseille, France.

Work experience 4 - Academic assignments

- Health Committee of the Presidency of the Faculty of Medicine and Surgery (2000/2003)
- Commission Library of the Presidency of the Faculty of Medicine and Surgery (2000/2003)

- Member of the Board of the School of Specialization in Neurology of the University of Siena
- Member of the Board of the Doctorate School in Applied Neurological Sciences
- President of the Didactic Committee of the Three-year Degree Course in Physiotherapy, of the Faculty of Medicine and Surgery of the University of Siena.
- Member of the Board of Directors of the University of Siena

Work experience 5 - Professional advice

Dates: From 01/03/2016 to Today
Occupation or position held: Consultative activity - Member of the Regional Health Council (permanent commission for the reorganization of Tuscan hospitals for intensity of care) - Task conferred by the Tuscany Region
Name and address of employer:
Main activities and responsibilities: Consultative activity
Type of business and sector: Health Care Activity

Dates: 2008
Occupation or position held: Consultative activity
Name and address of employer:
Main activities and responsibilities: Task conferred by the CNR of Pisa
Type of business and sector: Member of the Inter-university Ordering Commission of the CNR of Pisa
Research

Dates: 2006
Occupation or position held: Consultative activity
Name and address of employer:
Main activities and responsibilities: Task conferred by: ISSS (Istituto Superiore di Sanità)
Type of business and sector: Member of the Regional Health Services Agency, Rome
Health Care Activity

Dates: From 2005 to Today
Occupation or position held: Member of the Regional Laboratory for Health Education, Florence
Name and address of employer:
Main activities and responsibilities: Task conferred by the Tuscany Region
Type of business and sector: Consultative activity
Health Care Activity

Dates: 2000
Occupation or position held: Consultative activity
Name and address of employer:
Main activities and responsibilities: Seat of the European Commission in Strasbourg (France)
Type of business and sector: Member of the International Human Frontier Science Program (EU, Strasbourg)
EU research programs

Work experience 6 Scientific collaborations with international research units

Dates: From 2003 to today
Name and address of research unit: University of Adelaide, Faculty of Sciences, Australia

Dates: From 1999 to today
Name and address of research unit: University of Marseille & CNRS Marseille, France

Dates: From 1998
Name and address of research unit: University of Antwerp, Belgium

Dates 1991
 Name and address of research unit EU Network: International cooperation for the study of spinal control of movement in a man

Dates 1990
 Name and address of research unit Queen Square Institute of Neurology, London, England

Dates From 1985 to Today
 Name and address of research unit University Pitié-Salpêtrière, Paris, France

Dates 1984
 Name and address of research unit National Institute of Health and Medical Research, Paris, France

Dates 1980
 Name and address of research unit University of Massachussets, MA USA

Education

Dates 1988
 Title of qualification awarded PhD in Applied Neurobiology
 Name and type of organization providing education and training University of Siena, Faculty of Medicine and Surgery

Dates 1985
 Title of qualification awarded Specialization in Neurology
 Name and type of organization providing education and training University of Siena, Faculty of Medicine and Surgery

Dates 1979
 Title of qualification awarded Degree in medicine and surgery
 Name and type of organization providing education and training University of Siena, Faculty of Medicine and Surgery

Dates From 1984 to 1985
 Title of qualification awarded Fellow
 Name and type of organization providing education and training Neurological Rehabilitation Service, University Pitié-Salpêtrière

Dates From 1980 to 1981
 Title of qualification awarded Fellow - Neurologist / Neurophysiologist
 Name and type of organization providing education and training National Institute of Health and Medical Research, Paris, France

Dates From 1979 to 1980
 Title of qualification awarded Fellow
 Name and type of organization providing education and training Neurologist / Neurophysiologist
 Department of Neurophysiology, University of Massachusetts MA - USA

Additional information

Author of about 300 scientific publications in the field of basic and applied neurosciences.

Collaborator of the following international scientific journals:

- Brain Research (publishing house: Elsevier Science)
- Experimental Brain Research (publishing house: Springer)
- Clinical Neurophysiology (publishing house: Elsevier Science)
- Neuroscience Letters, (publishing house: Elsevier Science)
- Brain (publishing house: Elsevier Science)
- Journal neurology Neurosurgery and Psychiatry (publishing house: Elsevier Science)
- Journal of Neuroscience Methods (publishing house: Elsevier Science)

✓ Citations: 7.557

✓ H-Index: 44

✓ I 10 Index: 192

Main research fields:

- Motor control and pathophysiology of neurological disorders
- Brain connectivity patterns supporting cognitive general functions
